Tenon Ireland business support initiatives

Tenon Ireland are responding to challenging times with our new business support initiatives.

We have improved our efficiency and our supply chain, and can now offer even more competitive pricing from 1st February 2009.

In addition we are now stocking our principle office partition systems in RAL 9006 silver grey and RAL 9010 White.

All our systems are available at our new Unit 3A Kylemore Industrial Estate, Killeen Rd, Ballyfermot, Dublin 10 location, and through CPD branches nationwide.

We also offer a wide range of washroom cubicle systems, folding walls, and door sets.

Tenon Ireland is the industry's largest dedicated stockist and distributor of office partition systems, and we are here to support you in every way we can in a difficult climate.

Our dedicated team remain available to you for pricing assistance, and for any technical or specification backup you may require.

We look forward to working with you

Kind Regards

The Tenon Team
